| | $6853 | 52 |

By the foregoing account it will be observed, that there was apparently a balance unexpended on the 28th of March 1833, of $903 24—but there were outstanding claims on the Overseers at that time to the full amount of this balance.

There is now due from the Overseers, for Dry Goods, Provisions, Leather, Meal, Repairs, Salaries, &c. about 2500 dollars, and to the Phœnix Bank 500 dollars,—to discharge these claims and provide for the further expenses of the Alms House to the close of the year for which the present Board of Overseers were elected, they have besides the above cash balance, an account against the Commonwealth of $3735 26,—and several small accounts, to be collected.

Respectfully submitted, JAMES K. FROTHINGHAM,
Chairman of Overseers of the Poor.

Charlestown, March 1st, 1834.

CHARLESTOWN, March 7th, 1834. The Committee appointed by the Town to audit the Overseers of the Poors' Accounts, have carefully examined the same and find them properly entered, correctly cast, and the payments properly vouched, and there is a balance in favour of the Town of one hundred thirty two dollars and 35-100ths.

JOHN HARRIS,
TIMOTHY FLETCHER, } Auditing Committee.
